Aims of this piece of work: **Drive up quality**

Name of lead person: **Martin Ferris** Other partners/stakeholders involved:

Date of assessment: **5/3/9**

Who is intended to benefit from this piece of work? **Population of Sheffield**

Single Equality Scheme strand	Baseline data and research on the population that this piece of work will affect What is available? What does it show? Are there any gaps? Use both quantitative and qualitative research and user data Include consultation with users if available	Is there likely to be a differential impact? Yes or no
All	It is important that quality improvements benefit all of the population. Currently, very little equality data is collected during the audit process.	Yes
Human Rights	Will this piece of work impact on anyone's human rights?	Yes - positively

Equalities Impact Assessment Action Plan

Strand	Issue	Action required	How will you measure the impact/outcome?	Timescale	Lead
All	No evidence that improvements affect all populations equally	Monitor information on all six strands wherever possible when conducting an audit	Equality data available	asap	MF

Each strand may have many issues and each issue may have many actions. Please ensure that each action is in a separate row.
